Video call&record

4G Video Call Safety Tracking Smartwatch

H17

HD screen video call anti-lost GPS/LBS/WiFi
tracking smart watch for kids and women

- 4G LTE and 2G GSM global network compatible
- GPS+BDS+LBS+WIFI multiple real-time tracking
- SOS calling, two-way calling, phone book list
- HD camera, photography, video call, pedometer
- Micro-chat, find watch, alarm clock, class mode
- Fall down alert, medication reminder(optional)
- Heart rate, blood pressure, temperature(optional)
- Offline alarm, battery low alarm, geo-fence alarm
- Free tracking web platform and apps

Specification

MCU (Main chipset)	Spreadtrum SL8910
Operate system	RTOS system
GNSS	GPS, BEIDOU, LBS, AGPS, Wi-Fi (indoor)
Memory	DDR SDRAM: 128MB + Flash EEPROM: 128MB
Languages	Enlish, Chinese (Other languages can be customized)
GPS antenna	High sensitive FPC antenna
Tracking accurate	GPS/BEIDOU (outdoor): 5~10 m; LBS (outdoor): 50~1,000 m; Wi-Fi (indoor): 10~50 m
GPS capture & tracking sensitivity	-148 dBm & -162 dBm
Shell & case	High-strength anti-fall ABS and PC material
Strap materials	Skin-friendly TPU strap
Wi-Fi location	802.11b\802.11g\802.11n
Waterproof level	IP67 waterproof
Working humidity	5% to 85% non-congealable
Working temperature	-20 ~ 65 °C

Connectivity

4G bands	FDD-LTE: B1/B3/B5/B7/B8/B20 ; FDD-LTE: B38/B39/B40/B41
2G bands	B2/B3/B5/B8

Appearance

Size & weight	48.8 x 40.2 x 14.6 mm & 50 g
Color	Black, blue and pink
SIM card	Nano SIM card
Screen	1.83 inches IPS full touch, 240 × 240 pixels resolutions
Battery capability	850 mAh polymer lithium battery (Standby time: 72 hours; working duration: 24 ~ 48 hours)
Buttons	2 buttons (Power on/off key and SOS button)
Camera	30W pixels resolutions
Charge interface	Magnetic charging
Microphone	Support
Speaker	Support
Red light sensor	Support
Motor	Support
G-ensor	Support, 3 axis sensor
Package list	Watch X 1, giftbox X 1, user manual X 1, charge cable X1
